

Photoshoot Guidelines

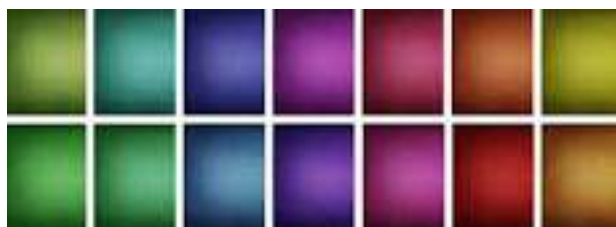

Here are some CRITICAL guidelines to follow. Please READ THIS CAREFULLY and let us know if you have any questions:

You will be having your headshot taken on Tuesday, May 31st. This photo will be included with your paperwork in the judges books they receive 2 weeks before the competition. See these guidelines below to have a good headshot:

-It is important to try to look similar to how you will look for your interview as it helps the judges recognize and remember you. If you plan on changing your hair color/style we recommend doing so before pictures.

-Hair style should be similar to how you will want it to look on the day of the interview for the competition (curly or straight). I would NOT recommend wearing your hair up for your headshot. It should be down, but please make sure that your hair is out of your face (bangs are not distracting in front of your eyes). Use hair spray and add some volume to your hair by backcombing to help it stay out of your face.

-A solid color is recommended for your headshot, preferably no patterns or necklaces. Simple earrings are OK. Jewel colors look best (non pastel). Here's an example of jewel tones:

-IT IS IMPORTANT TO WEAR MAKE UP!! It should not be as heavy as stage make up, but more than your day to day. Make sure you have eye shadow, eye liner, mascara, lipstick, etc.. Bring your make up with you the day of the shoot in case you need touch ups-but make sure your make up is completed before you come. Neutral browns usually look best for eyes. -Wearing a lipstick/lip-gloss is recommended as it will really help your features pop. It's also important to remember that any makeup will photograph about 2 shades lighter. But generally we don't recommend a dark lipstick. Also, no matter how long your natural eyelashes are, it is usually a good idea to wear conservative fake lashes.

PLEASE CALL AND TEXT US WITH ANY QUESTIONS!! We are more than happy to give you our opinion so please call and text us with options for your outfits or examples of your hair and makeup.

Feel free to bring additional options of tops for headshots. The photographer can look see if she has any suggestions.

You will also be taking some fun full body shots so you are also welcome to bring a different outfit for those.

Please arrive 15 minutes early The photographs will go very quickly so please be COMPLETELY ready. There will NOT be time to be doing your makeup or hair.

Saturday, May 31, 2022

7:30PM (arrive at 7:15PM)

River View Ranch

5800 Adams Ave Parkway, Washington Terrace

Good examples of
hair, makeup and
color of top!
